

Reinventing  
decking  
materials

## Panels & Composites

Adding comfort  
and performance  
to your decking

Amorim Decking Materials are a combination of incomparable functionality and luxurious aesthetics, bound together in a natural cork composite.

Cork is 100% natural, reusable and recyclable. Whether from an environmental, social or economic perspective, it's one of the world's most versatile materials.

Anti-slip

Resistance  
and flexibility

Acoustic isolation

Thermal insulation

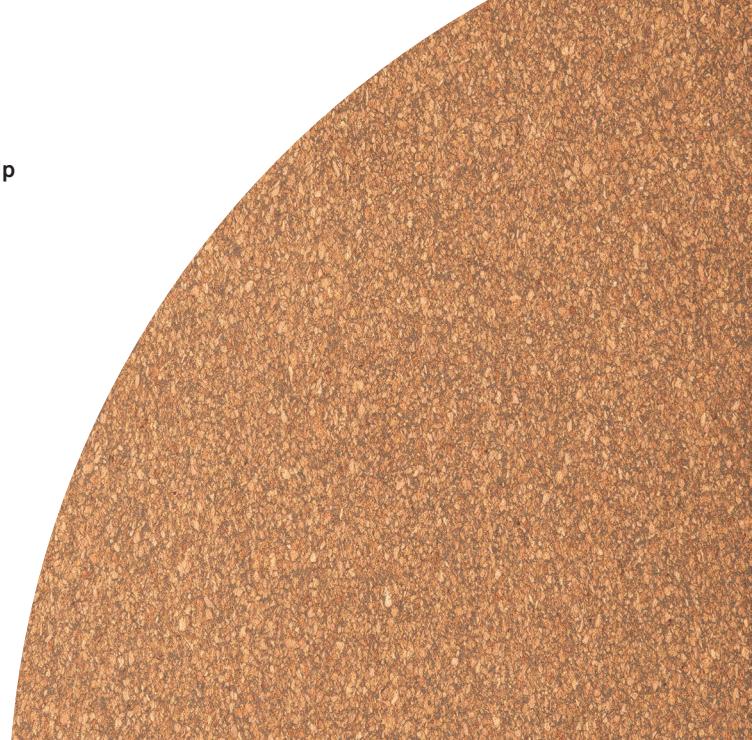

Sustainable  
and energy efficient

Lightweight

Walking comfort

↑ ACM49

↓ ACM94

## Cork, more than appearances

ACM49 and ACM94 are elegant alternatives for a variety of decking surfaces ranging from professional and recreational marine vessels, pool decks, pontoons, to wellness centers.

The distinct characteristics of Amorim Decking Materials rival traditional hardwood solutions, such as teak, and synthetic alternatives, creating economic benefits due to ease of manufacturing, customization, installation and maintenance of the final decking.
